jobyjfoster@gmail.com
(662) 312-3498

Aiming to apply my passion for coding to solve real-world problems and promote innovation.

EDUCATION

Base Camp Coding Academy

Computer Programming
Water Valley, MS
05/2023 to Present

BCCA is a non-profit year-long scholarship program where I'm learning seven coding languages and frameworks.

- Cyber Security Club
- After School Coding Program

Engaged with 5th & 6th graders to teach them the fundamentals of programming with Scratch.

East Mississippi Community College

CSpire Certification
Dual Credit Classes
Scooba, MS
08/2021 to 05/2023

Starkville High School

High school
Starkville, MS
08/2019 to 05/2023

WORK EXPERIENCE

Social Media Manager

05/2023 to Present

Sheriff's Campaign
Starkville, MS

- Created graphic design producing compelling posts, significantly boosting voter engagement & campaign visibility.
- Gained experience in political marketing and advertising, using data-driven strategies on Meta platforms to maximize voter outreach and support for a county sheriff candidate.

Cook

01/2023 to 05/2023

Zaxby's
Starkville, MS

- Excelled in fast-paced work environment, demonstrating adaptability and a strong work ethic.
- Trained multiple new hires during my 5 months there.

PROJECTS

Snus-Check

- Engineered an advanced OSINT tool to streamline the process of breach research.
- Incorporated Snusbase API to enhance breach search capabilities.
- Allows for exporting data in multiple formats.

Skills Demonstrated:

- API Integration
- Data Management
- Algorithm Design.

Technologies Used:

- Python 3.x
- Snusbase API
- JSON
